Re: Pawlyk vs. Cigna
Docket Number 07 CV 10358 (CLB)

Dear Ms. Cama:

This letter will confirm our discussion of earlier today, in which you advised that no appearance is necessary for the conference which was set for tomorrow morning.

You have advised that in the event that the stipulation of discontinuance is not sent by fax to the Court on or before May 2, 2008, an appearance before Judge Brieant will be necessary on May 2, 2008 at 9:00 a.m.

Thank you for the courtesies that you have extended in this matter.

Very truly yours,

Arthur V. Lynch, Of
Counsel
